

Tamworth Farmers' Market Vendor Policies (updated February 2026)

Our Mission: To increase the exchange of food and farm products in our region, encourage new farmers and producers, and help strengthen our local food community through a year-round direct marketplace.

How to Apply

Fill out an application and mail or email it to the Tamworth Farmers' Market. Vendor selection is on an individual basis and determined both by the quality of the products offered and by the needs of the market and its customers. We will let you know whether you have been accepted as a vendor and for which market days. **Returning vendors must reapply every year.**

Rules & Definitions

You may only sell your APPROVED products: If you would like to make changes to your approved market product list it must be re-approved by the managers before you come to market. This is important to avoid market saturation of any given product. We want all of you to make money.

Local farm products: "Local" means the State of NH. Exceptions to this rule will be accepted on a case-by-case basis.

Fresh vegetables and fruits: This means fruits and vegetables you grow yourself.

Other agricultural products: This means farm products such as wool, cut flowers, plants, soap and others that you raise and make yourself.

Dairy, meat, poultry: You must meet the requirements of the NH Bureau of Food Protection Dept. of Health and Human Services and Dept. of Agriculture.

Eggs, apples, cider, potatoes, honey, maple products and alcohol: Inspection of farm commodities offered for sale within the state of NH to meet grade and quality standards is conducted by the Bureau of Markets, NH Dept. of Agriculture & Food. Alcohol is regulated by the NH State Liquor Commission.

Prepared foods: If you are selling prepared foods (including baked goods, preserves, sandwiches, soup etc.) YOU MUST LIST THE INGREDIENTS for each item in descending order by weight in a manner easily read by customers. Prepared foods made with local ingredients are more likely to be approved.

Scale certification: If you are selling products by weight you must have a scale that is legal for trade and certified by the Division of Weights and Measures, NH Dept. of Agriculture.

Pricing: You must post prices for everything you offer for sale.

NH Food Protection and Dept. of Agriculture Inspections: Please be informed that we may be visited by the New Hampshire Dept. of Agriculture, Dept. of Health and Human Services and/or the Division of Weights and Measures at any time.

Product Liability: We strongly recommend that you purchase product liability insurance.

Selling/Leafleting: Please conduct all your business transactions at your booth. No advertisement beyond your booth. Please no posting of political signs.

Non-agricultural items/crafts: We have a limited number of booth spaces available for artisan vendors.

Building & Grounds: No smoking on UUFES property. A restroom is available to vendors.

Cancellation Policy

We ask that vendors make every effort not to miss a market. It doesn't look good to have empty spaces at the market or a lack of product!! **Please consider finding someone to run your stand in your absence.**

You are liable to pay for the dates you sign up to attend during the summer & fall season even if you need to cancel. Your vendor fees support our market by paying for advertising, equipment, furniture, supplies, insurance, labor and anything else required to run the market.

In the winter we understand if freezing cold or snow may prevent you from attending but we still ask for 48 hour notice so we can plan for that day.

If you must miss a market, contact Annie Burke at 603-244-0495 or email farmersmarkettamworth@gmail.com as soon as possible (i.e. at the beginning of the week). Please do not call the day of the market to inform us that you will not be attending unless it is an emergency.

If you do have an emergency on the day of the market please call or text [Annie Burke at 603-244-0495](tel:603-244-0495).
